

## 2017 Grainbelt Classic Red Bird Race

The **Red Bird** portion of the Omaha Grainbelt Classic has become a tradition in Omaha. The **Red Bird** Race is a race within a race where **Reds or Silvers** compete for top honors but also compete among themselves. If you send a 3 bird team and 1 of them is a **Red** you can bypass the auction and place it in the loft of your choice for an additional \$75. Otherwise for an additional \$50 per bird you can place any or all of your **Red** bird entries into our weekly auction and the handlers will bid on your birds. If all of your entries are **Red or Silvers** you can place them in the loft of your choice. There is an additional \$75 per bird fee.
